1) The previous file bearing G.O. dated 25.6.1948 is called for along with D.No. 2025/E (Allocation of the Dept. of Archaeology).

4) The Director of Archaeology states that Shri A.S. Narasimhan Secty who has been allocated against the post of II UD Dn. clerk in grade Rs. 440-2-50/EB-3-480 has put in a service of more than 20 years and is the senior most member of the ministerial staff of the Dept and he may be allocated as I St Dn clerk with effect from 1.1.1964. requests

5) The Director of Archy. further states that Shri. M. Hanumanthu Rao of the Dept who is now a clerk (I St. Dn) may be appointed as Epigraphist in the Dept in grade Rs. 100-10-150 and the place of the I St. Dn. clerk thus released being given to Shri Narasimhan Secty.

Archy. 2-48. 6980/E

i) The Director of Archy states that the extra cost on account of this may be met by retrenching the 3 places of (i) Tamil Pundit, (ii) part-time Tamil Pundit and (iii) part-time Chemist and also from the savings of the Deptt under "salaries".

ii) The proposals of the Dir. of Archy. is for orders. First concurrence is necessary.

KAS 12/1/49. Subject of the case of Sri A.S. Narasimha Setty appears to be a very hard one. Though the Official has put in 20 years of service and is reported to be doing good work, he is allocated in the 2nd Division on Rs 74/- in grade Rs 40-2-50/EB-3-80 from 1/1/47. merely in the reason that no 1st Division vacancy was ever available. The Director proposes to designate Sri Narasimha Setty as Epigraphist on an increased scale

69 92

& pay & Rs 100-10-150 as against the present scale & a 1st Division clerk & Rs 60-5-90/E.B.-6-150. Though there can be no objection to change the designation as proposed by the Director the proposed scale & Rs 100-10-150 need not be sanctioned as the present scale is almost the same as the one proposed, except that the rate & increment differ considerably If the place & the 1st Division clerk is thus not released, then the only way to help Sri Narasimha Setty would be to treat him as a supernumerary in the 1st Division. By doing so, the extra cost to Govt. will not be much and may be approved as follows:-

1) The designation & Sri Hanumantha Rao will be changed from that & a 1st Division Clerk to that & a Epigraphist on the same pay in the same grade

2) Sri Narasimha Setty will be allocated in the 1st Division on Rs 85/- as supernumerary from 1/1/48 (In the existing grade the Official will be drawing Rs 78/- and therefore the starting pay in the 1st Division at Rs 85/- is reasonable)

9/25 one sees the reorganisation proposals & individual proposals coming from this office, ever since the time of Sri M. L. Krishna, it is observed that the designations of clerks, Pandits, photographers etc are changes & re-changes, just to provide increased emoluments to particular people. This must stop. If you convert one clerk post to that of a new post of Epigraphist, how can the remaining one clerk attend to clerical work?

(1) Ark Director why the posts of Tamil Pundit & chemist are not be abolished & whether the continuance of these posts is necessary & why they have been entertained hitherto & how the clerical work will be managed with only one clerk & where is the need to create an appointment of Epigraphist now, which did not exist before

No. E 7365, d. 26.1.'49.

Requests him to furnish information on the points in para 10 supra.

(Withdrawn from the Manifold on 2/3/'49)

~~2/1/'49~~ Letter no. 365, dated 16 2 49

from the Director of Archaeology furnishing reply to the above points.

13. The part-time posts of Tamil pundit and Chemist on a fixed pay of Rs. 20/- p.m. were created during the Re-organisation of the Dept in 1946. (vide G.O d. 8.10.'46). The Dir. of Archy states that these posts are lying vacant ever since they were created in the Dept. Since their pay and prospects ~~allowances~~ are too low to attract-

qualified people. The Director suggests that that the provision in this behalf together with the savings under "Salaries" be utilised for the appointment of Sri M. Hanumantha Rao as "Epigraphist" in Grade Rs. 100-10-150 and the place of the I St Division clerk being given to Sri. A.S Narasimha Setty

14. The Director further states that during the Re-organisation of the Dept. in 1946, the two posts (Senior punsit and Jr. punsit) of the punsits attached to the Epigraphical Section of the Dept. were abolished with the result that the two permanent incumbents working against these posts had to be absorbed Otherwise Sri. R. Chakravarthi who was previously working as Senior punsit being taken as Archaeological Asst. and Sri. M. Hanumantha Rao, M.A who was working as

junior pundit in the Dept. being designated as clerk. He further states that the affts. of Sri. Hanumantha Rao is purely due to circum-stantial reasons and that he has never worked as a clerk but has been working as a technical Asst. in the field of Epigraphy.

15. Regarding the clerical work in the Dept., the Director states that work of Sri. B.S. Narasimhaselly and Sri. R.K. Narayanaswamy, the clerical work of the office can be managed. Sri. Narayanaswamy is working as a local candidate in the vacancy of the clerk-cum-stenographer. The Director states that both these officials have got considerable experience in the clerical work of the Dept.

16 Regarding the appt. of an Epigraphist in the Dept., the Director states that Epigraphy is an important branch of Archaeological Researches and that there is absolute necessity for the same (Epigraphical Br.) which existed before the Re-organisation of the Dept., in view of the good deal of work existing in the Dept. relating to the Epigraphical section like the publication of Epigraphica Carnatica series, etc.

17. The proposals of the Director of Archaeological Researches are as follows:-

i) abolition of the part-time posts of Tamil pundit and Chemist in the Dept. each of which are carrying a fixed pay of Rs. 25/- (P.M.)

ii) Creation of the post of an "Epigraphist" on Rs. 100-10-150

Archy. 2-48. 8771/E.

and posting Mr. M Hanumantha Rao, MA who is now designated as I St Dn. clerk in the same,

(iii) Posting Sri. A.S. Narasimhan Setty as the I St Dn. clerk in the vacancy released by the promotion of Sri. Hanumantha Rao as Epigraphist-

20) In the first re-organization Sri.D.Nagesamurthi Rao who was Photographer was designatedas Architectural Assistant and Sri. Rama Rao who was a Draftsman was designated as Photographer and Sri.Hanumantha Rao who was junior Pandit was designated as clerk. In the subsequent revision Sri.Narasimha Setty who was a typist is shown as a clerk. The recommendation now is to appoint Sri. Hanumantha Rao who is a clerk as an Epigraphist and to appoint Sri.Narasimha Setty as a First division clerk. It is not known how a Photographer can become an Archaeological Assistant and how a Draftsman can become a Photographer and how a typist can be taken as a clerk. The revisions have been effected on personal considerations without reference to the work that each is ~~ax~~ expected to do. The staff should be divided into technical and clerical, typists and menials and promotions should be effected in those cadres only. The Director of Archaeology may be requested to classify ~~ka~~ the staff and send a report in the matter very early.

26 Draft rules for abstraction as the details of the financial implications are not clear

27. This may be calculated by the Conservator (at least roughly.)

28. The proposal of the Director of Archaeology results in the creation of the post of an Epigraphist on a scale of Rs. 100-10-150. which with cost Rs. 1,600/= P.A.

29 This extra cost as proposed by the Director is to be met by utilising the three posts of (1) II nd. Dn. clerk, (ii) part-time Tamil Pundit and (iii) part-time Chemist. and from the savings of Rs. 516/= P.A. as per the Reorganisation of the Depts during 1946.

Archy. 2-48. 10884/E

30. On account of the Revision of scales of pay of the officials of the Dept. and the allocation of the staff in the revised scales, there is an extra cost of Rs. 2,918 7/15- P.A and hence the savings of Rs. 516/- P.A as per the Re-organisation of the Dept. in 1946 cannot be taken into consideration.

31 The savings on account of the 3 posts of the 2 nd Dr. Clerk, Kannada Tamil Pundit and Chemist (Rs. 209= P.M.) each fixed. with amount to Rs. 1,240/- P.A. Hence the extra cost will amount to Rs. 360/= P.A.

accepted in the circumstances stated by the Director

34 As re the creation of the post this seems to be necessary and may be accepted

35 As re the grade of the Epigraphist the Director recommends a grade of Rs 100-10-150. This does not seem to be necessary, as the one in which Sri Hanumantha Rao is working i.e Rs 60-5-90-EB-6-150 is equally good and it will hold in the case of the Epigraphist also, with the modification that the post will be classified as 'technical' instead of as "ministerial"

36. On the vacancy caused by the appointment of Sri Hanumantha Rao as Epigraphist, Sri Narasimha Setty, now in the II division, may be promoted to the I division in the circumstances stated by the Director and this will cancel the post of the II Dn. clerk held by him.

37. The financial implications of the above proposals is that there will be a net extra expenditure of Rs 960/- per annum as shown below

To

The Education Secretary to the Government of
His Highness the Maharaja of Mysore, BANGALORE.

Sir,

Archy 2-48-1

With reference to G.O.No.E.9130-31/Archy.3-46-25 dated 4th May 1948 approving the allocation of officers and members of this Department as per the Reorganisation of this Department sanctioned in G.O.No.E.2794-95/Archy.2-44-35 dated 8-10-1946 and with reference to G.O.No.E.11,208-09/Archy.1-47-62 dated 25th June 1948 conveying sanction to the appointment of Sri.M. Hanumanta Rao, M.A., as Clerk in the Department of Archaeology on Rs.90/- in grade 60-5-90/E.B.6-150 as a special case, I have the honour to submit, for the kind consideration of Government, that it is immediately necessary to change the designation of Sri.M.Hanumanta Rao from "Clerk" to "Epigraphist" with a view to avoid an anamoly since Sri.Hanumanta Rao is actually working as an Epigraphist and cannot function as Clerk in-as-much as he does not possess the requisite qualifications therefor. Moreover, though it is stated in ~~XXXXX~~ the G.O. that Sri Hanumanta Rao is appointed as clerk as a special case, it is still

desirable to avoid unnecessary complications since his designation as Clerk might come in the way of the members of the Ministerial staff of the Department who, by virtue of their long service and qualifications in their line, have been recommended for suitable promotions in the allocation statement which is now before Governmen

Under the circumstances, I request you to be so good as to change the designation of Sri M.Hanumanta Rao from "Clerk" to "Epigraphist" without prejudice to the recommendations made for promotions in the cases of the existing members of the Ministerial staff of this Department vide the revised allocation statement submitted with this Office No. 692 dated 27-5-1943 to the Comptroller to Government, Bangalore (Copy enclosed for ready reference - items 5-7).

Department of Archæology,

Mysore, 26th December 1948.

From

The Director of Archæology,
Mysore.

To

The Education Secretary to the Government
of His Highness the Maharaja of Mysore, BANGALORE.

Sir,

Adverting to G.O.No.E.5565-6/Archy.4-47-3 dated 3rd Decr.1948 sanctioning the allocation of the non-gazetted staff of the Department as per the statement appended thereto, I have the honour to submit, for the kind consideration of Government and favourable orders, an application from Sri A.S.Narasimha Setty, who has been allocated against the post of Second Division Clerk in grade 40-2-50/E.B.2-80. As already mentioned by me in my letters No.15 dated 6th July 1948 and No.39 dated 29th July 1948, the appointment of Sri M.Hanumanta Rao as Clerk I Division has unjustly marred the prospects of Sri A.S.Narasimha Setty who has served the Department for more than 20 years and has been the seniormost member of the ministerial establishment of the Department. He combines in him a very good knowledge of Typing and Accounts with a commendable knowledge of English and thorough experience in office work. He is a successful manager of touring parties. His character and behaviour are excellent and he is a candidate belonging to a backward community. The fact that many of his juniors in the University have secured the posts of I Division clerk may kindly be taken into consideration and Sri A.S.Narasimha Setty also granted corresponding relief with effect from 1.1.1947. In this connection I beg to submit that if his services had not been retained in this Department in 1944, he would have also secured the place of a I Division Clerk in the University. Further, the designation of Sri M.Hanumanta Rao as Clerk requires to be changed immediately into Epigraphist since he is working only in the latter capacity. In the interests of the work of this Department and in consideration of the need for showing justice to Sri A.S.Narasimha Setty, I propose ~~xxxx~~

Dr.chy 2-48-6

as follows:

> Sri M.Hanumanta Rao may be appointed as Epigraphist in the Departm nt in grade 100-10-150 and the place of I Division Clerk may thus be released for being granted to Sri A.S.Narasimha Setty.

The extra cost on this accoun.t may be met by utilising the three places viz: (1) II Division Clerk, (2) Part-time Tamil Pandit and (3) Part-time Chemist as also from the savings of the Department under 'Salaries and from the savings of Rs.516/- mentioned in G.O.No.E.2794-95/Archy. 2-44-35 dated 8-10-1946 sanctioning the reorganisation of the Depar[illegible]. I also submit in this connecti n that the pay attached to the two part-time places is too low to attract really qualified people. Hence these places may be utilised as mentioned above for giving Sri A.S. Narasi ha Setty the lift to I Divisi n Clerk's place which he very richly deserves on grounds of merit, seniority, qualifications and community.

Yours faithfully,

L.Narasimhachar

Through

The Director of Archaeology,
MYSORE.

Sir,

I beg to place the following few facts before you for sympathetic consideration and favourable orders.

I have put in a service of more than 20 years and am drawing Rs.80/- the maximum of the grade Rs.50-5/2-60 (a first class appointment till 1944) from a long time. My place was proposed for revision and it was converted to a I Division place. Almost all the clerical work is done by me and I belong to a Backward Community and am the seniormost member of the ministerial establishment. Several G.Os issued regarding the allocation direct that such men have to be absorbed in the I Division places. Accordingly, the previous Director as well as the present Director allocated me for the sanctioned I Division place and submitted the statement for sanction.

But, in the allocation statement sanctioned by Government, Sri M. Hanumanta Rao, a Pandit throughout his service, but designated as Clerk for want of a place has been given the I Division place. He is far junior - having put in only about 7 years of service and was drawing only Rs.44/- on 1-1-1947. By this a seniormost backward community man has been superseded by a junior and injustice has been done to him and he is deprived of his only chance of promotion in his life time. He will be drawing only Rs.80/- while his juniors will be drawing Rs.150/-.

Until 1944 the Archaeological Office was attached to the University. With the separation of this office from the University in 1944 as an independent unit under the Government, my lien was also transferred to this office, simultaneously removing it from the University unit. Had I continued in the University, with more than 20 years of service at my credit on 1-1-47 I stood every chance of promotion to the I Division as is evident from the fact that even my juniors in the University have been given this benefit.

I, therefore, humbly pray that the mere fact that I was drafted from the University Unit in the INTERESTS OF PUBLIC SERVICE AND FOR ADMINISTRATIVE CONVENIENCE may not adversely affect my future and that I may be saved in these days of financial difficulties and crisis.

in the above circumstances, I may kindly be placed in the I Division with due weightage with effect from 1-1-1947 which would be nothing but mere justice.

For which act of kindness, I remain ever grateful to you, Sir,

I beg to remain,

SIR,

Subject: Appointment of Sri M.Hanumanthe Rao, M.A., of the Department as "Epigraphist".

With reference to your letter No.E.7365/Archy.2-48-7 dated 26th January 1949 on the above subject, I have the honour to submit as follows:-

1) Posts of Tamil Pandit and Chemist. These posts are lying vacant ever since they were created in this Department since the pay and prospects attached to them are too low to attract really qualified people. There is therefore no use in continuing these posts. It is thus that I have submitted in my letter No.810 dated 26th December 1948 that in the interest of the work of the Department and in consideration of the present need for showing justice to Sri A.S.Narasimhasetty whose prospects have suffered, the provision in this behalf in the budget of the Department and the savings effected under the re-organisation of the Department and "Salaries" may be utilised to give effect to my proposal that Sri M.Hanumanthe Rao may be appointed as Epigraphist in the Department in grade Rs.100-10-150 and that the place of I Division Clerk be released for being granted to Sri A.S.Narasimhasetty.

2. Clerical Work: ~~Srikm~~ The appointment of Sri M. Hanumanthe Rao, M.A., as clerk is only recent and due purely for want of other essential reasons as explained in item 3 below. He has never worked as Clerk but has really been functioning as a technical assistant in the field of epigraphy. With Sri A.S.Narasimha Setty as I Division Clerk and Sri R.K.Narayana Setty as Clerk-cum-Stenographer, the work of the office can be managed. Both of them have got considerable

experience in the clerical work of the Department and as first typists. Indeed, the entire clerical work of the Department in addition to the typing of the manuscripts relating to the Annual Reports and other publications of the Department is being done by these two, while Sri R.K.Raj Narayan is also functioning as Stenographer by virtue of his having passed the Junior Shorthand Senior Typewriting examinations.

3. Appointment of an Epigraphist: I beg to submit that in the G.O.Ms.No.2794-95/Genl.Edn-5 dated 9th October 1956 sanctioning the Re-organisation of the Department, the two posts of Pandits attached to the Epigraphical Section of the Department were abolished so that the two persons working against these posts had to be merged in the cadre -- one, namely Sri R. Chakravarti, as Archaeological Assistant and the other, namely Sri M.Hanumantha Rao, M.A., as Clerk. This circumstance, while unjustly affecting the seniority of Sri M.Srinivasachar and the prospects of Sri A.S.Narayana Bhatta, has left the very provision that was made for the epigraphical wing of the Department from the Budget. Epigraphy happens to be a very important branch of archaeological research. It is absolutely necessary that provision therefor should continue to be made as heretofore, particularly in view of the fact that scores of new inscriptions are being discovered all over the State even at present and a good deal of material is already existing in the Department to work on with a view to publishing source books of History and supplements to the Epigraphia Carnatica series.

Subject: Creation of the post of an "Epigraphist" in the Department.

With reference to correspondence ending with your letter No. 365 dated 16-2-1949 on the above subject, I am directed to state that in the first re-organisation, Sri. D. Nageshamurthi Rao, who was Photographer, was designated as Architectural Assistant and Sri. Rama Raju, who was a Draftsman, was designated as Photographer and Sri.M. Hanumantha Rao, who was Junior Pundit was designated as Clerk. In the subsequent revision, Sri. Narasimha Setty who was a Typist is shown as a Clerk. The recommendation now is to appoint Hanumantha Rao who is a Clerk as an Epigraphist and to appoint Sri.Narasimha Setty as a I Division Clerk. It is not clearly stated as to how a Photographer can become an Architectural Assistant, how a Draftsman can become a Photographer and how a Typist can be taken as a Clerk. The revisions have been effected on personal considerations without reference to the work that each is expected to do. The staff should be divided into technical, clerical, typists and menials and promotions should be effected in those cadres only. To

The Education Secretary to the Government

SIR,

SUBJECT: Creation of the post of an "Epigraphist" in the Department.

***

With reference to your letter No.E.10753 dated 5th April 1949 in connection with the above subject stating that the revisions in this Department consequent on the reorganisation have been effected on personal considerations without reference to the work that each is expected to do and directing me to classify the staff into technical, clerical, typists and menials, I have the honour to state as follows:

Considerable difficulty in regard to the correct classification of the staff members arose at first out of the circumstance that in the reorganisation sanctioned in G.O.No.2794-97/Archy.2-44-35 dated 8-10-1946, two permanent places of Pandits attached to the Epigraphy Section of the Department were abolished. The two incumbents had, however, to be absorbed otherwise and provided, as far as possible, in the places sanctioned; and while doing so, the general and technical qualifications possessed by each staff member and his seniority had also to be kept in view.

1. Thus, Sri D.Nagesamurthi Rao could aptly be appointed as Architectural Assistant. It is true that at that time he was designated as Photographer. But his first appointment in the Department was as Architectural Draftsman and he had worked in this capacity for over 15 years. Since he had also acquired experience in photography he had been promoted as Photographer in the year 1939 when the latter place became vacant consequent on the retirement of the previous Photographer Sri M.C.Tirumalachar. By virtue of his qualifications in architectural draftsmanship and photography Sri Nagesamurthi Rao was eminently qualified

to be the Architectural Assistant and it was thus that his name was proposed against that post which was newly sanctioned in the re-organisation order.

2. In the Epigraphy Section of the Department Sri R.Chakravarti was the Senior Pandit and Sri M.Hanumantha Rao was the Junior Pandit. Since both these places were abolished in the re-organisation order it became necessary to absorb these two persons in other available posts viz., Archaeological Assistant and Clerk. So far as Sri R.Chakravarti was concerned the designation of Archaeological Assistant given to him could be justified by virtue of his special qualifications in the several fields of Archaeology. But the designation of Sri M.Hanumantha Rao as Clerk has become quite misleading since he is actually working as an Assistant in the Department, but not as a clerk. He is an M.A. of the Mysore University and has specialised in all Archaeological subjects, particularly in Epigraphy. As such his present designation as "Clerk" has created an anomoly on the one hand and has unfortunately come in the way of the proppects of Sri A.S.Narasimha Setty.

3. Sri A.S.Narasimha Setty is not only a Typist but also a Clerk with very wide experience. Indeed, he is functioning in both these capacities and particularly as clerk since he is thoroughly conversant with all the files in the department and has actually been maintaining all the accounts registers. He has put in a service of over 20 years in the department and is eminently suited to be appointed as I Division Clerk in the place of Sri M.Hanumantha Rao who may be appointed as Epigraphist as recommended by me in my letter No.365 dated 16-2-1949. The fact that many of his juniors in the University have secured the post of I Division Clerk may kindly be taken into consideration and Sri A.S.Narasimha Setty also granted corresponding relief wi effect from 1-1-1947. In this connection I beg to submit that if his services had been continued in the University he would have also secured the place of a I Division Clerk just like so many of his colleagues and juniors.

4. I submit below a statement duly classifying the staff members in the several posts:

Sir,

I have the honour to submit herewith a representation from Sri A.S.Narasimha Setty of this department praying that in consideration of his long service, etc. he might be promoted to the place of a I Division clerk in this department or in the University where he was working formerly. He belongs to the backward community and is eminently qualified to be a I Division clerk in the Department. If only the two places of pandits attached to the Epigraphy Section had not been retrenched under the reorganisation of the Department sanctioned in G.O.No.E.2794-95/Archy.2-44-35 dated 8-10-1946, Sri M.Hanumanta Rao would not have been appointed as I Division clerk in the place of Sri A.S.Narasimha Setty. I request that in kind consideration of the facts mentioned by Sri A.S. Narasimha Setty in his representation, his case may kindly be treated as a special one and the scale of a I Division clerk

at least
may be given to him ~~even~~ personally with effect from 1-1-1947. If, on the other hand, he is transferred back to the University it will be a great loss to the Department.

The Director of Archaeology in Mysore,

Sir,

In continuation of my petitions dated 13-8-1948 and 24-12-1948, I beg to place the following for your sympathetic consideration and favourable orders.

As represented in my petitions referred to above, I have put in a service of 22 years and am the seniormost member of the ministerial staff and as per instructions contained in the several Government Orders issued from time to time I am eligible for promotion to the I Division Clerk's place. The Director of Archaeology also recommended me for allocation to the senior place. With all the above claims I now find that I have been superseded by my juniors and the I Division place is not given to me and I have been deprived of the only chance of promotion.

My juniors in the University with similar or lesser qualifications are in the 150/- grade while I have to rot on Rs. 90/- for the rest of my 14 years of service. I was drafted out for service in this department for in the interests of public service and administrative convenience. If I had remained in the University service I would have got the 150/- grade just like many of my colleagues and juniors. The retention of my services has adversely affected my future and made me to suffer for no fault of mine.

Under the above circumstances, I humbly pray that my claim may be considered sympathetically and granted a I Division Clerk's place. But, if, for any reason, it is not possible to provide me with such a post in the Archaeological Department I may kindly be transferred back to the University duly restoring my seniority.

For which act of kindness, I shall ever remain grateful to
